

New Director of Marian Centre, Bangalore, India

Maria Bhavan, Bangalore: On 12th July 2024 the Indian Montfortian lay association core committee members had gathered for their annual general body meeting at Maria Bhavan, Marian centre. Rev. Fr. Sebastien, the Provincial Superior of the Vice Province began the meeting by invoking God's blessings. The previous Spiritual director, Rev. Fr. Johnson was being appreciated for his spiritual facilitation and guidance for every member of the lay association. The new director Rev. Fr. Alexander was welcomed.

The new director initiated the discussions with two questions such as:

1. What were the experiences of the members?
2. What is being expected to be more active and vibrant in living and spreading Marian devotion?

All were happy to be involved and are committed to live out the spirituality of father de Montfort in our day-to-day life. Rev. Fr. Deepak was present and shared his valuable suggestions for the better participation of the associates.
